## OUR INITIATIVE

The Dutch Pencak Silat Federation (NPSF) has announced early December 2018 that it would be our honor to host the Pencak Silat European Championship 2019.

To better promote Pencak Silat in Europe the event was changed to an open championship where not only national teams can participate but also the local schools and their members, from ages 8 to 45.

The European Open 2019 began..

## THE CITY OF THE HAGUE

It was our great honor and pleasure to host the Pencak Silat European Open 2019 in the city of The Hague.

With close ties to the international community by hosting embassies and consulates from countries all over the world, The Hague is known as the City of Peace and Justice.

The city is one of the top three biggest cities of the Netherlands and the host city of world known conferences and sports events such as Red Bull Knockout Race, Volvo Ocean Race, Rabobank World Championship Hockey and Regatta J22 Sailing World

# VENUE

**SPORTCAMPUS  
ZUIDERPARK**

**SPORTCAMPUS  
ZUIDERPARK**

A big event like the European Open 2019 should be held in a major, even, majestic tournament space in maybe the most Indonesian orientated city in the Netherlands.

The venue we have chosen to use was the 'Sportcampus Zuiderpark' in The Hague.

The Sportcampus is a state of the art new sport venue that can accommodate every need we could possibly have.

The venue has comfortable stands for the audience and offers the right amenities for additional activities we had scheduled.

## ABOUT THE NPSF

The NPSF is the largest national federation for Pencak Silat in Europe with more than 40 member schools of different Pencak Silat styles like Tapak Suci, Setia Hati, KPS Nusantara, Satria Muda Indonesia, Merpati Putih and many more.

Currently the NPSF has about 400 active members.

The NPSF only started 3 years ago as a national federation but has grown very rapidly in these years.

The board of the NPSF and support staff without exception are people who have been actively involved in the Dutch Pencak Silat community for many years (30 years and more).
